Name: MANSI KHANNA	DOB: 09/23/1995	RU ID#: 203004526
Allergies: No		
Sex assigned at birth: Female	Any Chance of Pregnancy: No	
Any Previous Severe Reactions:		
		No
Any Long Term Health Problems:		No
Any Immune System Problems:		No
Any Medication Taken Affecting Immune System:		No
Any Blood products or gamma globulin given:		No
Any Nervous System Problems:		No
Any live virus vaccinations given in past 4 weeks:		No
Any other vaccines given in past 2-4 weeks:		No
I have been provided with the Vaccination Information Sheet (VIS) for the following vaccine(s) that will be administered today: HPV (Gardasil-9)		
I authorize      and his/her assistants to administer the vaccine(s). I have been made aware of certain risks that may be associated with these immunizations. I have been instructed to wait <b>20</b> minutes in the health center in the event I have an adverse reaction following my injection(s). I have had the opportunity to ask questions, which were answered to my satisfaction. I believe I understand the benefits and risks of the vaccine(s) and request the vaccine(s) be given to me.
